

The Moonstone Egg

An adventure for Alex

Ages 4-5 | English | Six clues

Read this story aloud

Pip finds an empty nest beside the fern path. The Moonstone Egg has rolled away, leaving six small tracks. Can you follow them before the hatchling wakes?

This preview is a sample, not a complete game. Ask an adult to prepare the full route before playing.

1. The empty nest

Alex, Pip spots the first track in a patch of mud.

Stamp your feet. What has a sole but no toes?

Find this object. The next card is there; the last answer leads to your prize.

2. Fern gate

A leaf holds a message beside the path.

Pretend to turn a page. What holds a story between two covers?

Find this object. The next card is there; the last answer leads to your prize.
