

The Moonstone Egg

An adventure for Alex

Ages 9-11 | English | Six clues

Read this story aloud

Pip finds an empty nest beside the fern path. The Moonstone Egg has rolled away, leaving six small tracks. Can you follow them before the hatchling wakes?

This preview is a sample, not a complete game. Ask an adult to prepare the full route before playing.

1. The empty nest

Alex, Pip spots the first track in a patch of mud.

Each letter moved one place forward in this alphabet. Move each back one. After A comes Z when moving backwards.
